

Global Networking through Rotary Fellowships

Rotarians, as part of a global organization, are bound together by a common interest to become acquainted as an opportunity to be of service to one another and to others around the world.

In furtherance of this aim, Rotary Fellowships offer Rotarians the opportunity to become acquainted with other Rotarians who share a common vocation, hobby, or recreational interest. Rotary Fellowships are organized around either action groups or interest groups. You can find out more about the groups listed below and make contact to broaden your world, build knowledge, and establish global friendships by visiting:
